

Social story example

Sitting on the Carpet

Lots of kids sit on the carpet at school. Kindergarteners sit on the carpet. First graders sit on the carpet. Second graders sit on the carpet too. When kids sit on the carpet, they FACE THE TEACHER. Andrea faces the teacher. Devin faces the teacher. When I face Mrs. Hill and Mrs. Schneider, they know I'm being a good listener. Kids also STAY ON THE CORRECT PAGE when they sit on the carpet. Isabel stays on the correct page. Devin stays on the correct page. Mrs. Hill and Mrs. Schneider are happy when I stay on the correct page. Kids are QUIET when they sit on the carpet. When I'm quiet, my friends can listen better and learn more. Andrea can listen better and learn more. Devin can listen better and learn more. I can listen better and learn more too! When I sit on the carpet, I FACE THE TEACHER, STAY ON THE CORRECT PAGE, AND BE QUIET! 😊
