

You are an Earthworm

You are now an earthworm. You live in North Carolina. You have many questions about your life as an earthworm. Develop as many questions as you can to ask your teacher. You will record these questions on the student earthworm sheet. The questions require a yes or no response. If you ask a question that is not a yes or no question the teacher will ask you to restate the question. After the teacher answers the question you will circle either the yes or no response.

Example:

1. Do I eat leaves? Answer: yes
